IN THE SENATE OF THE UNITED STATES

JULY 15, 2005

Mr. HATCH introduced the following bill; which was read twice and referred to the Committee on Energy and Natural Resources

A BILL

To provide for the conduct of a study of the suitability and feasibility of establishing the Trail of the Ancients National Heritage Area in the Four Corners region of the States of Utah, Colorado, Arizona, and New Mexico.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Trail of the Ancients
5 National Heritage Area Study Act of 2005”.

6 **SEC. 2. FINDINGS.**

7 Congress finds that—

1 (1) the Four Corners region, 1 of the areas of
2 greatest archaeological interest in the United States,
3 provides access to numerous examples of the Ancestral Puebloan culture;
4

5 (2) the Four Corners region highlights areas
6 and sites at which—

7 (A) the earliest inhabitants were Paleo-
8 Americans, nomadic people who traveled
9 through and lived in the area as early as
10 10,000 B.C.; and

11 (B) the Ancestral Puebloan Indians lived
12 from approximately 1 to 1300 A.D.;

13 (3) the region features sites that chronicle the
14 Ute and Navajo Indian cultures;

15 (4) the archaeological sites of the region have
16 been well-preserved by the semi-arid climate of the
17 region;

18 (5) national and international recognition of
19 sites in the region has contributed to the wealth of
20 information about the people who have inhabited the
21 area;

22 (6) the region features the Trail of the Ancients
23 Scenic Byway in the States of Arizona, Colorado,
24 New Mexico, and Utah, and other designated byways
25 and highways, including San Juan Skyway in the

1 State of Colorado and the Utah Bicentennial High-
2 way; and

3 (7) designating the Trail of the Ancients Na-
4 tional Heritage Area as a unit of the National Park
5 System—

6 (A) would link many of the cultural and
7 recreation sites in the region for the benefit of
8 the traveling public and communities in the re-
9 gion; and

10 (B) would not—

11 (i) impose restrictions on private
12 property; or

13 (ii) require acquisition of additional
14 land.
